About the University

Spread over an expansive area of 40 acres on 28 K. M. Stone Chhata, Mathura, Sanskriti University is around 57 kms from Delhi NCR. The state-of-the-art infrastructure and architectural excellence help the university make a strong impression. The university has been established with an idea of bringing “Excellence in Life” of the students. Amidst the plethora of universities in Uttar Pradesh, Sanskriti University has made a mark of its own.

Students can choose from a wide range of programmes. Whether it is Engineering, Management, Commerce, Science, Indian Medicine, Para-medical, Agriculture or Arts, students have the luxury and freedom of choice. Gone are the days when students used to choose just the mainstream fields to pursue their higher studies. Today they want to explore new horizons and that’s exactly what we encourage at Sanskriti University.

Apart from knowledge in the classroom, students get additional learning through dedicated and well equipped laboratories, field/industrial visits, Co-curricular activities etc. The Focus is on igniting the young minds so that they innovate and focus on Research based projects. Students can also take advantage of our library that has a wide selection of textbooks, journals and reference books.

At Sanskriti University, we are very strict about selection of faculty members, thus ensuring that only the best teachers who are highly qualified, passionate and dedicated are hired. The faculty members bring with themselves a perfect amalgamation of competence, experience, and expertise to make sure that students get to the pinnacle of success. Admission of students is done on selective basis. Admission tests are conducted and students are enrolled in various programmes based on their merit and performance in these tests. Sanskriti aims to generate an environment that fosters technology incubation and leads to effective R&D.

We believe in value based education which helps students become a better person and do something constructive for the society. At Sanskriti University, we are committed to the cause of delivering world class education.
