Welcome Note:

The organizing committee would like to extend a hearty invitation to Ascenso 2019, the Annual Physiotherapy Conference to be held at Sanskriti University, Mathura on March 09, 2019. This Conference is being organized by School of Medical and Allied Sciences, Sanskriti University, Mathura, Uttar Pradesh. The conference has been designed for Students, Interns, Researchers, Clinicians and Academicians from various academic Institutions, Universities, Health centers and Hospitals on the theme of "Physical Activity for Healthy Living".

About the Host University:

Sanskriti University, set up in a serene environment with state of the art infrastructure, is delivering 360 degree holistic development of students. Sanskriti's intellectual capital comprises highly qualified and experienced faculty drawn from Industry as well as from Academia. Curriculum tailored to the needs of the industry, coupled with use of industry leading pedagogies enables the students to transform themselves into job ready resources. Sanskriti is committed to elevate itself to the status of top 10 private universities on all key parameters by delivering exceptional skill-based education by making incremental progress at quick pace.

About the City:

Mathura is a sacred city in the state of Uttar Pradesh. It is located approximately 145 km south-east of Delhi. According to Hindu scriptures, Mathura is the Birthplace of Lord Krishna and Radha and is also known as Shri Krishna Janma Bhoomi (Birthplace of Lord Krishna).

About the Host Department:

It is a well-known fact that health is wealth. A healthy body facilitates efficient operation of the physique and the mind. Human physique is an assembly of different components/organs which operate continuously from the birth of a child till his/her death.

Realizing the importance of Health and the demand for qualified Professionals for Preventing, Diagnosing, Treating & Rehabilitating the Patients, Sanskriti University has introduced BPT & MPT programs.
