**Innovating for Sustainable Growth**

**[www.sanskriti.edu.in](http://www.sanskriti.edu.in)**

**S**anskriti University is one of the fastest growing universities in the country and has made an impact in innovation, research and development. The university has been accredited by ICAR for imparting agricultural education and is contributing for the creation of skill based & job oriented education in agriculture. The university is also working towards innovative farming practices, farmers empowerment, doubling of farmers income, startup's and entrepreneurship development and FPOs to realize the dream of 'Viksit Bharat'. The university is committed in achieving the United Nations sustainable development goals.

## SANSKRITI KISAN VIGYAN MELA - 24

The Sanskriti Kisan Vigyan Mela - 2024 is aimed at achieving aspirations of "Atma Nirbhar Bharat" for creating awareness about the latest agricultural technological developments and for receiving feedback from the farming community to plan the University's future research strategy. Large number of farmers, start ups, FPOs, SHGs, women entrepreneurs and policy makers are expected to participate and get direct benefit from the Mela.
