## ABOUT CONFERENCE

Welcome to the upcoming conference titled 'Recent Advances in Medical & Allied Sciences to Transform Healthcare System (RAMATH-2024)'. This conference serves as a platform for professionals, researchers, and practitioners in the medical and allied sciences fields to gather and exchange insights on the latest advancements that are reshaping the healthcare landscape. From groundbreaking innovations in medical technology to transformative approaches in patient care and disease management, RAMATH-2024 aims to foster collaboration and facilitate discussions that will contribute to the enhancement of healthcare systems worldwide. Join us as we explore the cutting-edge developments driving positive change and revolutionizing the future of healthcare delivery.

## ABOUT MATHURA & VRINDAVAN

Sanskriti University is located in the district of Mathura, Uttar Pradesh, India. Mathura is known for its rich cultural and historical significance, being the birthplace of Lord Krishna, a major deity in Hinduism. The city is located on the banks of the Yamuna River and is surrounded by lush green landscapes and beautiful temples. Mathura is also home to the famous Banke Bihari Temple, which attracts lakhs of devotees every year.

Just a few kilometers away from Mathura, the town of Vrindavan and another significant religious destination are situated. Vrindavan is believed to be the place where Lord Krishna spent his childhood and is dotted with numerous temples and shrines dedicated to him.

The town has a peaceful and serene atmosphere, and visitors can explore the ancient temples and participate in spiritual activities such as Bhajan-Kirtans and Aartis. Overall, the location of Sanskriti University in Mathura-Vrindavan provides a unique blend of culture, spirituality, and natural beauty, making it an ideal place for students to pursue their academic goals while also experiencing the rich heritage of India
